Thank you very much for scheduling the meeting:

And thanks for the letter, particularly the approvals of our rewrites.

But since your letter to me is a legal document, I should respond to some of the points.

1. We still plan to pushback on some of redactions you continue to want to make on our rewrites in Section One in my email of 13 June 2014. You will need to explain WHY you believe the material to be classified. You cannot just assert it.

Bill, we have cleared you in.

Let me know if you have any questions. Otherwise, will see you next week.

Where do we stand on next week? I'm holding the entire week open on my calendar, and that is not easy. We need to nail this down. Let me know if I need to call Meroe, Avril, or John to break this loose, as I know that the PRB is not the problem here. Thanks.
